

# Instructions

Each Page Makes 3 Tracts

1. Print Tract Page Double Sided. You don't have to print in color but color looks nice.

2. Cut along both horizontal lines. You now have 3 identical strips.

3. Fold along first vertical line so the the text "Have you worked out your salvation" show in front.

4. Complete the tract by folding the back so the "Pray something like this" is on the back.
